Rapid Charge Solar Generator + EMP Protection Package

Hear From Real 4Patriots Solar Generator Owners. Over 150,996 Americans took steps to protect themselves & their families listen to what they have to say about the Patriot Power Generator 1800. See More Reviews * Real reviews from real customers. Sometimes customers receive a free product to test or receive a free product as a thank you for

Solar vs. Gas Generators

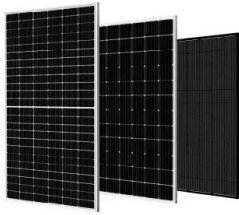

A solar-powered generator has no moving parts and therefore requires very little if any maintenance. From panel to battery to AC power. How do solar-powered generators work? They have batteries that receive power from solar panels. After sunlight hits the panel, it creates a collision of photons and electrons inside the solar cell.
