Are A Shade Greener any good?

Well, a shade greener are not the only one they

do this type of bussines. I came across this very problem, and my brother inlaw took over 2 and half years to sell and that's in NV London where is a huge demand for properties. Let alone the hassle he had to go thru with roof repairs near and under array . This is the truth I'm afraid .

Introduction. Last week I wrote about solar panel installer A Shade Greener (ASG), and then followed up with a post about some of the legal tactics they use (amounting to SLAPPs), by their in-house solicitor Gary Anderson - or "general counsel" as he prefers to be called.. Anderson's employment at A Shade Greener was terminated

One Shade Greener

My first clean-up effort with One Shade Greener began when I was taking photos at the beloved Austin 360 overlook. After finding an astonishing amount of trash I decided something needed to be done and organized a clean-up with Mark Sayegh. After cleaning up over 1,300 lbs of trash in less than 24 hours, I decided this was something I needed to

'A Shade Greener' solar panels

I will soon have to sell a relative's house (for care fees), in which they had 'free' solar panels fitted in 2015. The Deeds were amended to Lease the roof space to 'A Shade Greener' for 25 years. I am well aware this can really complicate selling, with many mortgage companies unwilling to lend, and have found many worrying stories on this forum about ASG. ...
