## Overview

---

Can I mine on AI power grid solo pool?

Permanent Port - you can mine on AI Power Grid SOLO pool only, but you can use any AIPG wallet address. Low fee AI Power Grid SOLO mining pool for GPU and ASIC.

What is Ai power grid (AIPG)?

In 2024, AI Power Grid (AIPG) has worked tirelessly on developing the distributed AI network core, workers, and front end infrastructure. During this time, we have developed substantial enhancements to the platform's underlying architecture for efficient handling of generative AI workloads through decentralized worker nodes.

Is AIPG a leader in blockchain interoperability?

The development of an interchain protocol to facilitate cross-blockchain AI services, positioning AIPG as a leader in blockchain interoperability in the AI space. This move will fully solidify AIPG's position as one of the leading AI coins in the marketplace.
