## We're Arkana Energy, and generating Positive Energy's what

We're Arkana Energy, and generating Positive Energy's what we're all about. Every day, we lean on the values that matter to us to guide our business

### Arkana Energy

We are a passionate solar energy company based on the Gold Coast. We want our customers to have access to safe and reliable energy that helps them save money and our environment. What do we do? We estimate that solar will power the entire globe by 2035. It's an aggressive target, but our planet needs us.

## Arkana Energy Group 6.6Kw Solar Quote , Lismore NSW

I have been quoted a 21 Phono Solar 305-320w Twin Plus Module and Sungrow SG5K-D Inverter for \$7995 after rebate installed. I live near Lismore NSW. Single story colorbond roof. 150m from pole mounted transformer. Seems a little dearer than anticipated however reviews of the system are all pretty good. Any comments?
