# Aurorasolar com Ireland

## Overview

---

What makes Auroras a great solar company?

Whether partnering with customers to grow their businesses or testing computer vision models, Auroras are united by the drive to create a future of solar for all. We work every day to innovate the platform trusted most by solar providers around the world. Advancing the solar industry brings the future closer, and that work is powered by you.

Why should you choose Aurora solar?

Our solar platform transforms the process of designing, selling, and delivering projects. From the first impression to project installation, with Aurora, you can provide a personalized solar customer experience that is uncomplicated. Let's deliver a new energy experience, one with the simplicity and predictability of a sunrise.

Does Aurora solar offer Enfin financing?

Thanks to Aurora Solar's platform, our Partner Installers can now seamlessly offer EnFin's competitive financing options to homeowners. This collaboration has significantly enhanced our ability to make solar energy accessible and affordable, empowering more homeowners to embrace clean energy solutions.

Who are Aurora users?

Our goal is to empower you with the essential knowledge and tools to make the most of Aurora from day one. We recognize three primary types of users: Aurora Admins, Sales, and Designers and the structure of your company will determine which of these roles you align with most.

Why should I use Aurora sungage?

The Aurora Sungage integration has been a game changer for our installer partners who rely on Aurora's leading design capabilities and Sungage

financing. From building the technical integration to going to market, the team was extremely collaborative, easy to work with- and is invested in the long-term success of our tech solution.

What's it like working with Aurora?

Here's proof: Working with the Aurora team has been a highly collaborative and positive experience. Our teams have worked, and continue to work exceptionally well together to bring this integration to market. Their commitment to innovation and clear communication made the process straightforward.

## Milestones in Aurora - Aurora Solar Help Center

A milestone is a significant moment in a solar project worth memorializing. Aurora now allows you to mark a design with a milestone, allowing you to 1) quickly understand the progress of a project 2) decide which design to open and edit

and 3) save a permanent, secure source of truth for what the design looked like at that milestone.

## How can I improve savings on my project?

Are the savings on your projects coming out unexpectedly low? Here are a few settings you can check: 1. Discount Rate. If your customer is paying cash for their PV system, then the higher Discount Rate you are using, the lower the Lifetime Savings value in Sales Mode. Going to the financing settings page and changing this to a lower value will likely increase the Lifetime ...
