Barbados staples energy

A Message From the Founder & Chairman of Williams Industries Inc.

Our investment in Williams Caribbean Capital, chaired by David Staples, has performed well for the past six years. WCC led by Barry O'Brien and Ciaran Burke invested in Jamaica and Ireland and these investments performed better than expected. In Barbados, this team has raised the finance via Green Energy bonds to enable Williams Solar

Barbados: Energy Country Profile

Barbados: Energy intensity: how much energy does it use per unit of GDP? Click to open interactive version. Energy is a large contributor to CO₂ - the burning of fossil fuels accounts for around three-quarters of global greenhouse gas emissions. So, reducing energy consumption can inevitably help to reduce emissions.
