How do I find the best solar battery for my business at the right price? Demand for solar inverter batteries has increased as Nigeria

continues to embrace alternative energy options. Inverter batteries are used to store extra energy produced by solar panels during the day or PHCN power for usage at night or on cloudy days. In this article, we

## Best tariff or strategy for solar/battery

The winter will obviously be different - I won't have enough solar to run the house or charge the batteries much. I guess in the winter I can get maybe 1/2 a days electricity from charged battery/solar (if I can charge the battery overnight sensibly) so would need to buy 6 to 8kWhr per day. In the height of summer I wouldn't need to buy
