# Bess safety Sint Maarten

## Overview

---

Is St Maarten safe?

The overall St Maarten crime rate is low, and most areas on the eastern Caribbean island are considered safe and secure during nighttime. However, I'd suggest avoiding walking alone in certain areas, particularly in the main city of Philipsburg.

Is Sint Maarten/St Martin safe to drink?

The water goes through a desalination process in many hotels and establishments, making it safe to drink. Final Thoughts: Is Sint Maarten/St Martin Safe?

So, is St Maarten safe for tourists?

St Maarten/St Martin is a safe destination to visit this year.

Is St Martin safe at night?

While generally considered safe at night, it is important to exercise caution and follow common safety practices when traveling to St Martin. The overall St Maarten crime rate is low, and most areas on the eastern Caribbean island are considered safe and secure during nighttime.

What should you know about St Maarten?

If you're going to be travelling to the Caribbean, you should know a few things about St. Maarten. Similar to other islands in the region, St. Maarten is not without risk and isn't without the occasional crime. There have been reports of muggings, robberies and sexual assaults on citizens of St. Maarten - both locals and travelers alike.

How to avoid crime in St Maarten?

Visitors travelling to St. Maarten should always be aware of their surroundings

and not flaunt any valuable jewelry or gadgets. This can help one avoid being a victim of crime while in St. Maarten.

Are taxis safe in Sint Maarten/St Martin?

Taxis are a safe and convenient mode of transportation in Sint Maarten/St. Martin. Tourists visiting the island can easily find taxis available throughout Saint Martin. These taxis are typically vans that can accommodate up to 10 passengers. Keep in mind Uber does not operate on either side of the island.
