Overview

Who is fincoenergies?

We are an independent, leading provider of sustainable energy solutions. Our mission is to propel our customers' transition towards a better world. At FincoEnergies we focus on providing low-carbon fuels, other energy and decarbonisation solutions.

What makes fincoenergies a sustainable company?

Founded in 2013, FincoEnergies embodies a commitment to driving change in the energy landscape. Our DNA is woven with a dedication to sustainability, reflected in our evolving strategies aligned with the UN Sustainability Goals (SDGs). These goals are the compass guiding our actions.

Who owns fincoenergies?

FincoEnergies was founded by Coloured Finches, an energy investment company that holds the majority of the shares. Together with the investment company Pontex Investment Partners and the management investment program, they form a very committed group of shareholders.

What's new at fincoenergies?

We have extended our presence to Singapore, completed initial deliveries in the United States, and embarked on new ventures, including bio-methanol and biomass, to broaden and diversify our range of services. Founded in 2013, FincoEnergies embodies a commitment to driving change in the energy landscape.

Why is Finco called Finco?

The name Finco is derived from the beautiful colourful finches that Charles Darwin discovered on the Galapagos Islands, and which are a classic example of surviving by continually adapting to new situations. Just like this bird species, we are constantly evolving into the most successful version of

ourselves.
