

## European Solar Energy Storage

# Bramble energy limited France

## Overview

---

Who is Bramble energy?

Bramble Energy is an innovator energy technology company that designs and manufactures high-performance, low-cost, and fuel cell stack. The company ability to leverage the global high-volume PCB industry means that they are the first fuel cell company with the manufacturing capacity to supply gigawatts of fuel cell hardware, something the battery.

What makes Bramble a good company?

We're a purpose-led, driven and inspiring workplace. Bramble is accelerating global decarbonisation and creating viable clean energy technology, with the PCB-X™ platform. PCB-X™ delivers carbon-neutral energy with unlimited applications.

How many directors does Bramble Energy Limited have?

Bramble Energy Limited has been running for 7 years. Currently, there are 8 active directors according to the latest confirmation statement submitted on 3rd January 2023.

Is Bramble energy growing?

Is Bramble Energy experiencing growth?

Bramble Energy may be growing as it has significantly increased its workforce, expanding from eight employees in 2020 to over 80 employees currently. The company has also successfully raised £35 million from investors, indicating strong financial backing and confidence from the investment community.

How much money has Bramble energy raised?

The company has also successfully raised £35 million from investors, indicating strong financial backing and confidence from the investment

community. Additionally, Bramble Energy has launched the world's first hydrogen-electric boat, demonstrating innovation and the introduction of new products to the market.

How many investors does Bramble energy have?

Bramble Energy has 8 investors including Advanced Propulsion Centre UK and Kiko Ventures. How much funding has Bramble Energy raised to date?

Bramble Energy has raised . When was the last funding round for Bramble Energy?

Bramble Energy closed its last funding round on May 9, 2023 from a Grant round. Who are Bramble Energy's competitors?
