

## European Solar Energy Storage

# Burkina Faso tesla solar roof

## Overview

---

Does Tesla have a solar roof?

With the Tesla app, you can monitor your energy production in real time. Control your system from anywhere with instant alerts and remote access. Built with all-weather durability, Solar Roof can consistently generate energy for years, maximizing your solar investment over time. Learn more about Solar Roof.

Are solar roof tiles a good choice?

Glass solar tiles produce energy, while architectural-grade steel tiles add longevity and corrosion resistance to your roof. Both are durable, strong and engineered for all-weather protection. With a 25-year warranty, Solar Roof will continue to produce clean energy and protect your home for decades to come.

Can a solar roof be used with a Powerwall?

Combine your Solar Roof with Powerwall—a home battery featuring an integrated solar inverter for increased efficiency and dependable energy storage 24/7. With the Tesla app, you can monitor your energy production in real time. Control your system from anywhere with instant alerts and remote access.
