

European Solar Energy Storage

Cheapest mobile solar container supplier in South Africa

Overview

Why should you buy a container in South Africa?

Whether you need a mobile office, spaza shop, or secure storage, our containers are built to last, with wind- and water-tight designs. According to a 2024 industry report by IBISWorld, the South African container market is growing at 4.2% annually, driven by demand for modular solutions in construction and retail.

Who are customised container conversions & modular solutions?

We are the trendsetters in customised converted containers and modular solutions. This allows us to provide prefabricated buildings and container conversions to suit our clients' requirements. We specialise in container rentals, both short and long-term, container sales both new and used, container conversions and container transportation.

How big is the container market in South Africa?

According to a 2024 industry report by IBISWorld, the South African container market is growing at 4.2% annually, driven by demand for modular solutions in construction and retail. From mining sites in Limpopo to urban projects in Johannesburg, we deliver nationwide with crane trucks for efficient setup.
