

## European Solar Energy Storage

# Commeo battery Wallis and Futuna

## Overview

---

Is commeo a good replacement for old battery storage?

Press Officer Stadtwerke Witten Julian Klug Our partner Gustav Klein recommended the Commeo system as a replacement for our old battery storage. The biggest advantage is the additional functions and larger capacity, allowing more energy storage. We are satisfied with Commeo's service, quick issue resolution, and high-quality product.

Why are commeo batteries important?

Commeo batteries are essential. Together, we enable self-sufficient energy supply for industrial and commercial companies. Managing Director ElectroFleet GmbH Robert Härtel With Commeo, we found a competent partner for our decentralized microgrid solutions: powerful battery storage systems.

Who are commeo & electrofleet?

Managing Director ElectroFleet GmbH Robert Härtel With Commeo, we found a competent partner for our decentralized microgrid solutions: powerful battery storage systems. Combined with our AI software, we offer customers flexible energy applications that reduce costs, price risks, and CO2 emissions.

Who is Mathias Kukla commeo?

Managing Director Gärtner Transporte GmbH Mathias Kukla Commeo has not only helped us store our solar energy efficiently, but also improved our charging infrastructure for electric vehicles. Their solutions are crucial building blocks on our way to a sustainable future at Stadtwerke Witten.

What makes commeo unique?

Commeo is 100 % technology independent and 100 % owner of the technology of the products. focus is on industry and commercial. By continuously optimizing our recycling processes, we exceed the legal

requirement. Our production is supplied exclusively from green energy sources.

## Commeo battery Wallis and Futuna
