exploration acreage and power generation sites across the islands.

Home

Walton Electric Membership Corporation (EMC) is a cooperative that is owned by those who receive its services. We supply energy to 135,000+ residential, business and industrial accounts in 10 northeast Georgia counties. Residential Services. Walton EMC's products and services reflect the lifestyles of our customer-owners.

Comoros

To get an accurate picture of energy efficiency in a country, it is important to first look at how and where energy is being used. Total final consumption (TFC) is the energy consumed by end users such as individuals and businesses to heat and cool buildings, to run lights, devices, and appliances, and to power vehicles, machines and factories.
