### Comoros Solar Energy Integration Platform

1. Grid-connected Solar PV, Storage Facilities, and Power System Upgrades (US\$29 million). The component will deliver the first MW-scale Solar PV Park in the Comoros with up to 10 MW of solar PV and 7 MWh of Li-Ion battery storage capacity. The construction of PV generation and storage capacity will be realized in 2-3 batches.

### Leading Rooftop Solar System Company in India , MYSUN

MYSUN is a leading rooftop solar company in India using the latest technology to provide the best quality and financing experience to residential, commercial buildings & consumers. We provide best in class solar energy systems to the independent houses, housing societies, SMEs, MNCs, industries hospitals, and hotels.
