

## European Solar Energy Storage

# Conrad energy Wallis and Futuna

## Overview

---

Does Conrad energy have a 104MW portfolio?

“Conrad Energy and GE Renewables have partnered to deliver a 104MW portfolio,” explains Sonia Quiterio, Conrad’s head of new business, immediately highlighting the scale and structure of the project.

How will GE & Conrad energy work together?

“GE Renewable Energy will supply the battery energy storage system and Conrad Energy will construct, own, and operate the projects, including optimising the projects through our trading desk.” “Adding storage to the UK energy system makes renewable energy more valuable,” says Quiterio. Credit: Sonia Quiterio.

What is a Conrad energy deal?

The deal is also, by its very nature, a collaborative project, and is part of a growing trend in the energy industry that has seen companies come together to share knowledge and experience. Conrad, for instance, has extensive experience in managing energy infrastructure projects, with over 600MW of capacity across 45 plants in the UK.

Who is Conrad Energy Limited?

Conrad Energy Limited is a registered company in England and Wales no. 09866059. VAT registration no. GB281421814. Registered office address: Suites D&E Windrush Court, Blacklands Way, Abingdon, OX14 1SY.

What is Close Brothers Leasing doing with Conrad energy?

Close Brothers Leasing has added to its energy book through the provision of a £70m facility to Conrad Energy for the development of gas peaking power plants with a combined installed capacity of 180MW.

Could Conrad's 'major Framework Agreement' add consistency to GE's

renewables portfolio?

The project, dubbed a “major framework agreement” by Conrad, could help add an element of consistency to GE’s growing renewables portfolio, while adding more pieces to Conrad’s ambitious plans to develop a battery pipeline with a storage capacity of 500MW.
