About Us » Trinity Star Eco Energy Solutions

Trinity Star Eco Energy Solutions range of products have been saving energy for its clients in over 54 countries from the past 11+ years.

MG4

MG4's Kinetic Energy Recycling System (KERS) contains three levels: light, moderate, and heavy. Lift your foot off the accelerator pedal and your car will slow down, recapturing and returning energy to the battery pack. This maximises efficiency and control, ultimately making the car easier to drive.
