

## European Solar Energy Storage

# Customized mobile pv generator quotation for Israel project

## Overview

---

The number of solar energy manufacturers in Israel is limited at the moment. However, Israel does have access to global suppliers of solar power equipment.

The growth rate might be slow but Israel's young solar market is poised to accelerate in the next few years. It took years of push from the local solar developers.

There are a number of seaports in Israel with which individuals and commercial consumers can transport solar power□ 1. Ashdod 2. Ashkelon 3. Hadera 4. Haifa.
