La direction du groupe Ralston Energy Systems, dont le siège est à Chatou (Yvelines), a annoncé, hier, au comité d'entreprise, la suppression de 334 emplois sur 540 dans son unité de Caudebec

Czechia: Energy Country Profile

So, reducing energy consumption can inevitably help to reduce emissions. However, some energy consumption is essential to human wellbeing and rising living standards. Energy intensity can therefore be a useful metric to monitor. Energy intensity measures the amount of energy consumed per unit of gross domestic product.

Gas imports could be halved in...
