

European Solar Energy Storage

Czechia viridi parente

Overview

Why do we love Viridi Parente?

"We have a great appreciation of Viridi Parente as we both share a commitment to the development of an energy ecosystem that prioritizes sustainability as it pertains to lithium-ion battery resource recovery." "Energy storage is super important for us to get right and battery safety is a critical aspect of that."

Who is Viridi Parente?

Received strategic investments from National Grid Partners and Sunbelt Rentals. Through a partnership with Ly-Cycle, Viridi Parente commits to 100% recycling for all end-of-life cells making Viridi the first company in the industry with such a bold commitment.

Why should you choose Viridi?

Revolutionizing the way energy is used and stored. Powerful, affordable, and scalable so you can take your business to the next level. Viridi designs and builds fail-safe battery energy storage systems with on-demand, affordable power for use in industrial, medical, commercial, municipal, and residential building applications.

Is Viridi Parente a good investment?

Financially, Viridi Parente is well-positioned for growth. The company has raised \$118 million through three funding rounds, with backing from prominent investors like Tom Golisano, the founder of Paychex, industry leaders like Sunbelt Rentals and National Grid Ventures, and Williams himself.

Who is Viridi?

Viridi leading the charge. Western NY becoming a major hub of America's new clean energy 'Battery Belt'. Let our innovation work for you. Whatever your focus, our outcomes are redefining energy storage and powering the

transition to a renewable future for companies like yours.

Why is Bobcat partnering with Viridi?

"Bobcat continues to partner with Viridi for its lithium-ion, fail-safe battery systems that are redefining energy storage for applications traditionally powered by fossil fuel energy." "The future of energy starts here! Great ideas come from working together."
