[BTI 2024: Djibouti : BTI 2024](#)

The government made no significant changes to its political agenda and continues to curtail opposition activities and restrict free speech. Internal tensions between ethnic groups and rumors of palace intrigue increasingly threaten Djibouti's stability. Economic growth continues to be highly uneven across Djibouti.

ESS - Sustainability where it is most needed

We are ESS, a leading Djibouti. Ghoubet 60MW Wind Farm. For over 4 years, ESS has provided HSEC Outsourcing for the project. We have several investors with very strict ESG requirements, and have been pleased with the experienced and multi-lingual HSEC team members provided by ESS.

Latest Ongoing Grid-scale/Utility Scale Energy Storage System (ESS)

New Projects: Paving the Way for ESS Implementation As Djibouti looks to diversify its energy mix and enhance its grid infrastructure, several projects are in the pipeline that could pave the way for grid-scale energy storage systems: The Djibouti Wind Power Project: This project, supported by international funding, aims to construct a 60 MW
