El precio de los paneles solares puede variar significativamente según una serie de factores. Comprender estos elementos te ayudará a tomar decisiones informadas al momento de considerar la instalación de un sistema solar. 1. Tipo de panel solar. Existen varios tipos de paneles solares, cada uno con características y precios diferentes:

Thanks for the info. I am definitely going with solar. I have the opportunity to buy excess solar panels from a solar farm project. They are commercial grade 320 watt panels for \$189 each. They have 100 to sell. I read a post on DR1 that stated solar panels are duty free. Not sure exactly what I will do but I will go solar.
