## Home

Hi, I'm Brad Robson, Director of Solar My Home WA. I've been in the industry since 2007 and started Solar My Home WA with the goal to bring affordable and reliable solar panel installation to Perth homeowners. I love helping home and business owners reach their solar goal, whether that be becoming more energy efficient or combating the cost

## Sun shines on Ecuador's solar sector

Ecuador's solar advantage. Ecuador enjoys a comparative advantage in relation to other countries: its location on the equator gives 12 hours of sunlight throughout the year. This prolongs the solar daily production time allowing a slightly ...

## Solar Panels in Ecuador..?

Traditional solar panels, batteries, and your inverter are going to cost way more in Ecuador, just like all imported high tech equipment. My suggestion is to use propane for cooking and hot water (if you need hot water), passive solar (skylights). That leaves you needing only enough power for lighting at night and charging cell phones, etc

## About Us

Both Fahad R and Jessica have been a pleasure to work with. They answer all my questions or find out the answers. They just finished installing my 5kw system and I love how you can barely see the critter guards, cables are tucked neatly, and the panels were very lightweight. I would highly recommend my Solar if you want high quality work

## Ecuador , Soaire Energía Renovable

La energía solar térmica consiste en el aprovechamiento de la energía que se recibe de la radiación Solar para generar calor. Los sistemas térmicos pueden utilizarse para uso residencial, comercial o industrial, proporcionando agua caliente para calefacción, agua caliente sanitaria, para climatización - frío (frío solar) o incluso para uso industrial (centrales termosolares ) que

## [Power Your Home with Solar Energy](#)

Yes, solar panels can potentially increase the value of your home. Many home buyers appreciate the lower utility costs and

environmental benefits associated with a solar-powered home, making your property more attractive on the market.
