El Salvador's First State-Owned Solar Plant Nears Completion.

The Salvadoran Government, under President Nayib Bukele, is advancing the construction of Talnique Solar, the country's first state-owned solar power plant. Anticipated to start operations by the end of 2023, it will supply renewable energy to roughly 25,000 households. The endeavor is part of the government's focus on renewable energy to spur innovation, ...
