

European Solar Energy Storage

Energy storage station won the bid

Overview

Recently, Narada Power successfully won the bid for the Phase II project of the 100MW/400MWh independent shared energy storage power station in Yumen, Gansu Province. The supply content includes Narada's Center L Plus liquid-cooled energy storage system.

Energy storage station won the bid

SMS Energy won the bid for the grid energy storage project with ...

Good news, SMS Energy as a member of the consortium and East China Power Construction Survey, Design and Research Institute Co., Ltd. jointly won the bid for Xizang Kaitou Seni District Dagap 100MW/400MWh independent grid type energy storage project.

100MW/400MWh! Won another energy storage project!

Recently, Narada Power successfully won the bid for the Phase II project of the 100MW/400MWh independent shared energy storage power station in Yumen, Gansu Province.
