

## European Solar Energy Storage

# Eritrea eiffage energy systems

## Overview

---

### Who is Eiffage Énergie Systèmes?

Eiffage Énergie Systèmes designs, builds, operates and maintains systems and facilities in electrical, industrial and energy engineering and HVAC which respect people and the environment. Eiffage Énergie Systèmes provides a customized offer for the industrial, infrastructure and network markets, local authorities and the tertiary sector.

### Why is Eiffage Énergie Systèmes invested?

Eiffage Énergie Systèmes is invested for : Propose energy offers that are in line with National Low-carbon strategy (SNBC) guidelines in terms of sober energy use, energy efficiency and decarbonisation. Lighting cities, moving, heating of buildings. meanwhile reducing carbon footprint, it is possible with Eiffage Énergie Systèmes.

### Who are Eiffage Énergie Systèmes & EnTech?

Eiffage Énergie Systèmes, a leader in design, installation and maintenance of systems and equipment for electrical, industrial, climate and energy engineering, alongside Entech, a technology firm specialised in the storage and intelligent management of renewable energies, today signed an agreement to create a joint venture.

### What makes Eiffage energy Systèmes unique?

To deliver tailor-made solutions that meet the needs of its customers, Eiffage Energie Systèmes has developed a set of expert brands, each specialised in a different market – industry, infrastructure and networks, cities and local authorities, and the commercial sector. Concessions.

### Where can I find information about energy in Eritrea?

You can find information on energy production, total primary energy supply, electricity consumption, and CO2 emissions for Eritrea on the IEA homepage.

For data on energy access (access to electricity, access to clean cooking, renewable energy, and energy efficiency) in Eritrea, visit the Tracking SDG7 homepage.

Is working at Eiffage Energia group a good choice?

Working at Eiffage Energía Group is a great choice. We take care of our employees and offer them training and development within the company, even having the possibility of being part of the shareholders. Find here the latest news from Eiffage Energía Sistemas Group and stay informed of our activity through LinkedIn.
