Megtéveszthette az EU-Solar a napelemre pályázókat a GVH szerint

A Gazdasági Versenyhivatal (GVH) vizsgálatot

indított az EU-SOLAR Kereskedelmi és Szolgáltató Nyrt.-vel szemben, mivel feltételezése szerint a cég megtévesztően ígérheti az uniós lakossági napelemes pályázatok költségmentes elkészítését, illetve kifogásolhatóan hirdetheti a pályázat keretében általa telepített rendszerek költségmentességét.
