Firefly solar Djibouti

Overview

Who is Firefly solar?

Firefly Solar empowers home and business owners to extinguish their utility bills with solar panel systems. We know solar technology, and our experienced crews install it with authority. We also protect your solar energy investment with the best insurance in the industry. Stay Lit.

Is Firefly solar a Canadian company?

Lol. Firefly Solar is new to Canada but people are saying they had installs in 2018. Is this thread referring to the Canadian company or the one in the Carolinas?

I just got a quote from them for \$36,000. I also got a quote from a local trusted company that I know the owner and they do lots of solar in and around the city I live in for \$18000.

What is Firefly juice?

Firefly Juice is thrilled to be a rapidly scaling part of transportation with industry leading EV charging solutions. Embrace the complete solar and energy storage solution that seamlessly blends into your home's design. Whether you need a roof replacement, roof repair or just an inspection, Firefly Solar & Roofing has you covered.

Where is Firefly solar located?

This enabled us to quickly launch our knowledgeable sales division which continues to grow as we expand throughout South Carolina, North Carolina and Georgia. In August 2018, Firefly Solar was licensed in North Carolina. We began by expanding our territory coverage of western North Carolina and continue throughout the state from there.

Does Firefly solar offer HVAC services?

Firefly Solar provides HVAC services for absolute home energy efficiency and long-term cost savings. With PowerGazebo, enjoy energy cost savings while sharing outdoor comfort with family and friends. We work with your city or county, and your utility provider during installation, so that you don't have to.

What is Firefly solar insurance?

Firefly Solar Insurance stands alone in the solar industry as the lifetime solar warranty of choice. Our warranty program assumes up to 100% of the risk of your solar arrays for all mechanical and electrical failures due to normal use, even beyond the manufacturers' warranty.
