## barox joins the Genetec Technology Partner Program

Genetec Security Center is a unified physical

security platform that allows clear monitoring of events and system configuration in one place. It unifies access control, video management, forensic search, intrusion monitoring, automation and many other advanced security capabilities, the company says.

## Malaysia's first battery storage-integrated EV charging system

The country is targeting net zero emissions by 2050, and minister of international trade and industry, Zafrul Tengku Aziz, earlier this year attended a launch event for a 1MW prototype of the first end-to-end BESS product created in Malaysia, by two domestically-headquartered companies, Citaglobal and Genetec Technology.

## French Southern Territories

All of the islands of the French Southern Territories have large populations of penguin, albatross, and seals. Early-20th-century introductions of rats, cats, rabbits, pigs and goats have now mostly been eradicated but left their mark on this fragile ECOSYSTEM. France declared the largest Exclusive Economic Zone (EEZ) in the world around the

## MITI launches Malaysia's first Battery Energy Storage
