Gibraltar storage batteries

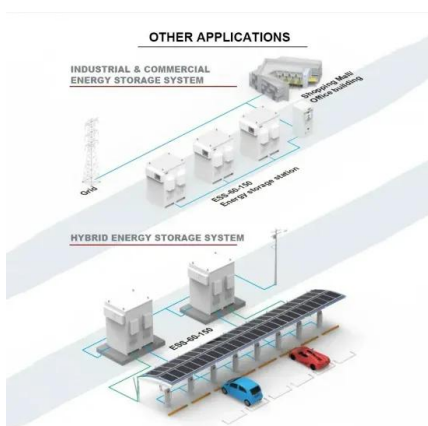

Gibraltar storage batteries

Our LifePo4 batteries can be connected in parallels and in series for larger capacity and voltage.

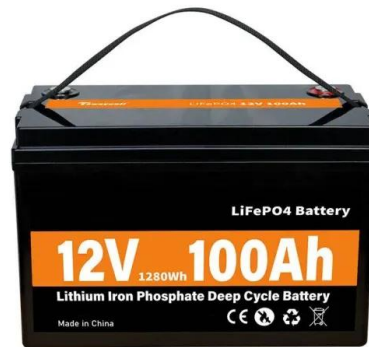

Plans filed at DPC for battery energy storage system at North ...

Ten new prefabricated container enclosures would be installed, each housing energy storage batteries and associated equipment. The planning statement says the batteries will allow for energy to be stored for back-up use when needed, rather than going to waste - making a positive impact on electricity generation for Gibraltar as a whole.
