### Understanding Tax Incentives and Subsidies for Foreign Investors in Vietnam

Discover the compelling landscape of foreign investment in Vietnam, bolstered by attractive tax incentives and robust government support. This blog post explores the strategic ...

### Why Vietnam Is Cutting Down Payments to ...

Vietnam was able to increase investment in renewables quickly because it offered developers and investors very attractive terms if they built ...

### Transforming Vietnam's renewable energy ...

Vietnam's energy sector is facing a complex set of challenges, primarily driven by its rapidly growing economy and the need to transition to a ...

### Vietnam's Solar Power Industry 2025: Policy Shifts, Growth, ...

Vietnam's solar power industry has grown rapidly

since 2017, driven by generous feed-in tariffs and strong government support. The country now has one of the highest ...

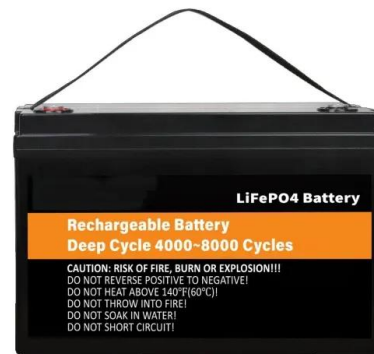

### Vietnam issues guidance for development of self ...

Decree 135 clarifies the legal basis for developing self-consumption rooftop solar power in Vietnam and resolves hurdles for developers.

### Vietnam Solar Power Sector

Vietnam has been leading in solar power development in the ASEAN region. The solar power sector grew strongly, with a new capacity estimated at 17.6 GW in 2021.

### Opportunities in Vietnam's Rooftop Solar Market

Explore Vietnam's booming rooftop solar market fueled by strong policies & investment. Uncover key players, innovations & growth ...

## Vietnam expands rooftop solar incentives, but experts say subsidies ...

Vietnam's draft policy is considered to provide limited subsidies and loans for residential solar installations. (Photo: iStock) To reduce strain on the national power grid, the ...

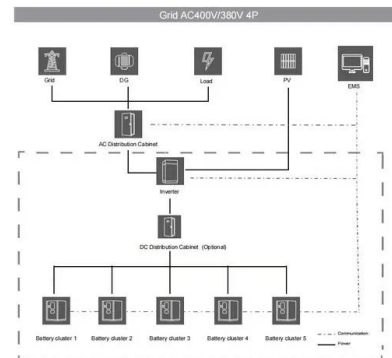

## Vietnam's Threat To Go Back On Tariff PPA's Sends ...

Vietnam's decision to retroactively revise subsidised pricing rules for wind and solar energy has raised concerns among stakeholders in the ...

## Vietnam unveils new incentives for solar and wind ...

Offshore wind power and green hydrogen projects in Vietnam may soon benefit from unprecedented incentives, including fee exemptions, ...

## UNLOCKING OFF-GRID POWER: THE ULTIMATE GUIDE TO SOLAR ENERGY CONTAINERS

In today's dynamic energy landscape, harnessing sustainable power sources has become more critical than ever. Among the innovative solutions paving the way forward, solar ...

## Vietnam Issues Decree on Renewable Energy Development and ...

New energy projects that generate electricity entirely from green hydrogen, green ammonia, or a combination of both and supply power to the national grid will be eligible for ...

## Powering the Future: Rooftop Solar in Vietnam and India

Is there any subsidy available in Vietnam for rooftop solar? Currently, Vietnam lacks structured subsidies and feed-in tariff support for residential solar users, which is slowing ...

## Decree 57: Vietnam Launches Full DPPA Regime for ...

On 3 March 2025, the Government of Vietnam issued Decree 57/2025/ND-CP (Decree 57), establishing a formal legal framework for Direct ...

## Vietnam's new rooftop solar decree sparks investor concerns over

The Vietnamese government's new decree, announced at the end of October, encourages the development of self-consumption rooftop solar power systems. However, ...

## Solar Subsidy in India 2025 - PM Surya Ghar Muft ...

Are you planning to install solar panels at home and want the government to pay for it? If yes, then you need to know about the Solar ...

## Decree 58: Rooftop Solar, Offshore Wind, and New Energy ...

Decree 58 is a significant step forward in Vietnam's efforts to support the scale-up of renewable and new-energy electricity sources, particularly in the context of its Power ...

## Vietnam's new policy to designate EVN as only buyer ...

New regulation confirms EVN's monopoly on surplus rooftop solar energy purchases. (Photo: EVN) The Vietnamese government has announced ...

## The Unexpected Twist in Vietnam's Renewable Energy Saga

Punishment awaits the senior officials who allowed Vietnam's renewable energy quest to go off the rails, despite its apparent initial success. This policy crisis has the potential ...

## Vietnam raises solar feed-in tariffs with energy storage, regional

Vietnam's Ministry of Industry and Trade (MOIT) has announced a new round of feed-in tariffs (FIT) for solar power, introducing location-based pricing and, for the first time, ...

## Vietnam's Promising Solar Energy Expansion and ...

Vietnam's Eighth National Power Development Plan (PDP 8), released in 2023, emphasizes the expansion of rooftop solar, particularly in off ...

## New Antidumping Duty and Countervailing Duty Petitions on ...

At a Glance The American Alliance for Solar Manufacturing Trade Committee filed both antidumping duty petitions and countervailing duty petitions on crystalline silicon ...

## Numerous incentives offered for renewable, new energy electricity

The Government has stipulated a series of investment incentives to promote the development of renewable and new energy, including exemptions from land use and land ...

## Recent Solar Power Developments in Vietnam

As Vietnam continues its rapid economic development, the demand for sustainable and reliable energy sources has never been more critical. Solar power has emerged as a key ...

## Mobile Solar Power Containers: Off-Grid Energy Anywhere

Mobile solar containers enable total off-grid operation, providing power in locations with no utility grid or where grid access is unreliable. This is essential for rural development ...

50KW modular power converter

## OFF-GRID OPPORTUNITIES AND CHALLENGES IN ...

This study is focusing on the identification of the off-grid regions and communes in Vietnam, to prepare for the follow-up work that will be done as part of the Vietnam Clean Energy Program, ...

## Vietnam Issues Decree on Renewable Energy Development and ...

The decree also emphasizes Vietnam's commitment to advancing research and technological innovation in wind and solar power. The state will prioritize programs focusing on ...

## Solar Energy Dawns on Vietnam

6th Feb 2017 "100,000 sets installed, 30-40% of which are in HCMC" Vietnamese households are going green with the help of solar energy. The government has a plan to increase the ...

## Vietnam Grants Up to 12 Years of Fee Exemptions for Green ...

The decree focuses on large-scale offshore wind and solar projects, as well as energy storage systems. It also establishes incentives for projects utilizing 100% green ...
