Greengo energy a s Greenland

Overview

Who is GreenGo energy?

GreenGo Energy is the go-to service provider and partner for institutional investors and investment funds that aim to unlock the value in renewable energy. Feel free to contact us about details and specific cases. "We develop green energy solutions of the future together with ambitious investors."

How many GW projects does GreenGo energy have?

GreenGo Energy has more than 27 GW projects in development or construction within solar, wind, BESS and PtX, through our Megaton™ Energy Park pipeline. Tier-1 investors from the global renewable energy sector.

Which projects are part of GreenGo energy's megaton project?

The projects are Stovstrup, Hemmet-Sønder Vium, Nørhede-Hjortmose and Vennervej, which are all part of GreenGo Energy's Megaton project. We are thrilled to announce our expansion into France, a significant milestone in our mission to drive forward the global energy transition.
