Greenland Style Academy: Rollen ohne Kraft

Greenland Rolling is more than just rolling or simply exercising. Greenland Rolling means: switching off from stress, stopping thoughts, arriving in the body, feeling. Greenland Rolling is comparable to yoga in a kayak. Use the energy of the water for your own movements. Become one with the element of water. The discovery of slowness, the

????????(??)????????????????????, ????????????? ...

Greenland Minerals and Energy Limited

Southern Greenland is located at a lower latitude than much of Alaska, and the Yukon and Norwest Territories of Canada - all regions popular amongst mineral explorers and miners. Deep water fjords cut into the coastal fringes of Greenland meaning that most areas suitable for exploration are close to potential deepwater port facilities.

What is Greenland kayak rolling?

Greenland kayak rolling is like writing, many people do it, each for their own reason and purpose. Each person seeks to achieve a different outcome. There is a deeply personal connection, a relationship, between the paddler and their kayak, just as between the writer and their keyboard or pen.
