Guernsey sialkot solar market

Overview

Could solar panels save guernsey's'mouth-watering' economy?

Jack Fletcher, from Renew Guernsey, told ITV News that widespread solar panel installation across Guernsey could not only produce greener energy, reducing the island's carbon footprint, but could also bring "mouth-watering" economic benefits to the island.

Is there a waiting list for solar panels in Guernsey?

Guernsey firms say there is now a six-month waiting list to have solar panels installed. Credit: ITV Channel Guernsey is seeing an increase in demand for solar panels to be installed on houses with homeowners looking for cheaper energy alternatives. There is now a six-month waiting list for islanders to have panels installed on their homes.

What is Guernsey's energy strategy?

The strategy outlines that Guernsey will achieve these aims by creating more renewable energy in the form of both solar and offshore wind arrays, and by installing a second subsea cable to France with a 100-Megawatt capacity.
