# Guinea-Bissau jakson solar

## Overview

---

Who is Jakson solar?

Headquartered in Noida, Jakson Solar is on its way to expand its footprint in the global market soon Revolutionizing solar power with ambitious targets and a seasoned team, winning the public's trust & widespread acceptance. © 2024 Jakson Solar.

Why should you choose Jakson solar?

At Jakson, we take pride in our comprehensive R&D, Testing, and Quality Control processes, ensuring that every module that leaves our facility meets the highest standards of performance and durability. The facility is a testament to our commitment to excellence, making Jakson the premier solar module company in India.

Who is implementing a 15 MW solar project in Mahoba?

Partnering with the formidable Gaurs Group, a recognized power player in the state's infrastructure sector, we have successfully implemented a 15 MW solar project at their Mahoba facility.
