there is a Power Outage. Easy Installation without wires. The 50W ceiling light indoor home is equipped with a remote control, to control the lighting time & brightness (10%

INVERTERS - sosolar

An inverter or power inverter, refers to an electronic device that converts direct current (DC) into alternating current (AC). In our daily life, we often convert 110V or 220V AC power into DC power for use, while the inverter plays the opposite role. In other words, the inverter is used to convert the 12V, 24V or 48V

Sosolar 7Ah 12V Gel Battery - sosolar

On purchase the battery will be tested to be 95% - 100% state of health. Our Gel batteries have a 6-Months warranty provided the battery was not misused and it doesn't cover improper (standard) inverter settings or any damages during transportation.

Solar in South Africa - sosolar

Solar Energy In South Africa Years ago, there was not much interest in solar technology in South Africa. Solar panels were a rare sight in South Africa, largely limited to the roofs of a few affluent households. This is changing rapidly, driven by three factors: the worldwide drive towards renewable energy, a highly st
