Test Drive Unlimited Solar Crown Review: Hong Kong Phooey

The USP of Solar Crown is its "1:1" recreation of Hong Kong Island and its clan vs. clan storyline that will see you ascend the ranks of the eponymous street racing contest for your chosen tribe. That means that, as well as knowing what you're getting in location terms, there's a great deal more focus on the car choices for the game.

Hong Kong : Sun direction, dawn sunrise sunset dusk and more

Dawn -- A time that marks the beginning of the twilight before sunrise. It is recognized by the presence of weak sunlight, while the sun itself is still below the horizon. Sunrise -- The moment when the top of the sun disc touches the horizon on sunrise. Solar noon -- The moment when the sun appears the highest in the sky, compared to its positions during the rest of the day.
