How do i get solar energy

Overview

How do I get solar power?

Here are the steps to take to get powered by sunshine. Choose a solar installer. An installer can help you determine if your roof is suitable for solar panels. Start by researching qualified, insured installers online or ask for recommendations from people who have gone solar. Comparison-shop by asking multiple installers to come assess your roof.

How do I go solar?

Here's our quick guide to going solar. First, determine if you're a good fit based on your energy costs, home and roof setup, and location. Compare multiple quotes when going solar to find the right system at a competitive price.

How do I pay for solar?

There are three main ways to pay for solar: upfront, with a lease or power purchase agreement (PPA), or with a solar loan. There are pros and cons to each solar financing method. With an upfront payment, you'll see the most significant financial savings over the lifetime of your solar panel system.

What is the best way to install solar?

The best way to install solar is through a qualified professional who holds a certification to do so and works with high-quality solar panels. The industry-standard certification is awarded through the North American Board of Certified Energy Practitioners (NABCEP). How can I avoid getting scammed while going solar?

.

How can I save money on solar energy?

The most powerful savings tool for homeowners who buy their solar systems is

the federal solar tax credit, available for installations through 2033. It allows you to subtract 30 percent of the cost of buying and installing solar heating, electricity generation, and other solar home products from your federal taxes.

How do I finance a solar system?

You can finance your solar system with a solar loan, a solar lease or a solar power purchase agreement (PPA). Your solar energy company should be able to work with you on permitting and incentive eligibility. The switch to solar can be a relatively painless process if you break it down into clear steps.
