# How to store energy in night pearl

## Overview

---

Ye (Night), Ming (Bright), Zhu (Pearl) is a rare photo-luminescent earth crystal that is able to absorb energy (light, heat, Qi or life force energy), stores it and changes it into beneficial energy.

Ye (Night), Ming (Bright), Zhu (Pearl) is a rare photo-luminescent earth crystal that is able to absorb energy (light, heat, Qi or life force energy), stores it and changes it into beneficial energy.

This night lasts for 24 hours, until you cancel it as an action, or until your attunement to the pearl ends. Once used, the pearl can't be used again for 24 hours.

There are said to be two kinds of Night Pear; animate or life-type and inanimate or mineral-type, the latter being especially sought-after, especially stones containing phosphorous which flows at night.

In this video I will be showing you how to farm Night Essence in multiple ways.  
0:00 Intro. more.

Night Pearls are a rare form of Fluorite that is naturally luminescent, almost as tough as diamonds, and feature prominently in Chinese legends.  
oddiycentral.com How do you recover energy if you sleep in a pearl bed?

If you are sleeping in a pearl bed, it will recover another plus two energy. These can be bought in the pearl shop and rewarded after playing for a thousand hours and in some login events. Coming out here will recover one energy for as long as you remain in the water.

How do you get items in nightreign?

Items can be acquired through drops from Enemies and Bosses, given by NPCs, looted from chests, or discovered throughout the world. In Nightreign, players will only have up to four item slots. Coats armament, inflicting blood loss. Adds 30 Status Buildup to the coated armament Greatly restores all FP. Eliminates all FP consumption for 15 seconds.

How do you eat a nightfairer?

You can also eat them directly from the ground, using Y + D pad Up (Xbox controller) or Triangle + D pad Up (PlayStation controller), to make things faster. Because a Nightfairer is always better off after eating food from dubious sources, such as random boxes in a dangerous land.

What are consumables in nightreign?

Consumables in Nightreign are items that provide immediate or temporary effects during exploration or combat. Items can be acquired through drops from Enemies and Bosses, given by NPCs, looted from chests, or discovered throughout the world. In Nightreign, players will only have up to four item slots. Coats armament, inflicting blood loss.
