### New Energy Storage Charging Pile Huasha Aluminum

The energy storage charging pile achieved energy storage benefits through charging during off-peak periods and discharging during peak periods, with benefits ranging

### TU Energy Storage Technology (Shanghai) Co., Ltd

TU Energy Storage Technology (Shanghai) Co., Ltd., established in 2017, is a high-tech enterprise specializing in the design, development, production, sales, and service of energy storage battery management systems (BMS) and photovoltaic inverters.

**China Wall Mounted Energy Storage Manufacturers, Stacked Energy Storage**

The company integrates the research and development, production, sales and service of lithium-ion battery packs, relying on rich manufacturing experience, reliable production technology, advanced equipment, efficient management, reasonable price, fast delivery time and perfect technical support.

### **Energy storage device-Nanjing Huashi Electronic Scientific Co., Ltd.**

The energy storage device adopts lithium titanate battery, which has good safety, high and low temperature performance, long cycle life and wide working environment temperature range (-20?~45?).

### **Shanghai ZOE Energy Storage Technology Co., Ltd.**

Shanghai ZOE Energy Storage Technology Co., Ltd., established in 2022, is dedicated to providing global users with safe, efficient, and intelligent energy storage product system solutions.

### **Shenzhen Youess Energy Storage Technology Co., Ltd.**

We are a global focused service provider of photovoltaic energy storage systems, providing a full range of products such as Lithium Batteries, Solar inverters, and Industrial & Commercial Energy Storage System Solution.
