---

### Leading Energy Storage Equipment Manufacturer

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

#### new energy battery

With a focus on lithium battery technology, we cater to diverse industries, providing reliable and efficient energy storage systems. Our products are designed to meet the growing demands of renewable energy integration, ensuring a greener and more sustainable future for all.

### Energy storage solutions & Site-specific Products, Products

Huijue's solar energy storage solutions are tailored for maximum efficiency and site-specific requirements. Our comprehensive range includes custom-designed systems that integrate seamlessly with solar PV arrays, offering uninterrupted power supply and energy cost savings.

#### Company Profile

Huijue Group has always taken the core values of "customer-centered, people-oriented, continuous innovation and achievement sharing", and has helped the green, healthy and sustainable development of the industry through continuous innovation accumulation and technological breakthroughs.
