# Hyner solar Cameroon

## Overview

---

Are solar power plants a reality in Cameroon?

The facilities, which have been in service for several months, serve the northern part of Cameroon. Large-scale solar energy production is now a reality in Cameroon. On Friday 22 September 2023, Cameroon's Minister of Water and Energy Gaston Eloundou Essomba inaugurated two photovoltaic solar power plants in the Far North and North regions.

Where are Eneo solar & battery storage plants located in Cameroon?

Release entered into a lease agreement with ENEO, an electricity company, in 2021 to deliver two solar hybrid and battery storage plants that have a combined capacity of 36MW solar and 20MW/19MWh of storage. The plants are located in Maroua and Guider, in the Grand-North Cameroon.

When is release by Scatec launching solar plants in Cameroon?

22 September 2023, Cameroon: Today, Release by Scatec celebrates the inauguration of the solar plants in Cameroon. Release entered into a lease agreement with ENEO, an electricity company, in 2021 to deliver two solar hybrid and battery storage plants that have a combined capacity of 36MW solar and 20MW/19MWh of storage.

Does Cameroon have a stable electricity supply?

There have been reports of significant improvements of electricity supply in the northern parts of Cameroon. Regions that fall under the Northern Interconnected Network were prone to experiencing power outages. Today we are proud to say that they have more stable power in the country courtesy to our rapidly deployable leasing solution.

Who owns Maroua & Guider solar power plants?

These are the first large-scale photovoltaic solar energy production facilities. The electricity produced by the Maroua and Guider solar power plants is

therefore supplied to Eneo, the public utility majority-owned by the British investment company Actis. Maroua Guider Solar Company is said to have invested CFA 17 billion, or nearly €26 million.

How much money did Maroua Guider solar invest?

Maroua Guider Solar Company is said to have invested CFA 17 billion, or nearly €26 million. Both projects benefited from an €11 million guarantee from BGFI Bank, a banking group based in Libreville, Gabon.
