Industrial battery boxes Curaçao

Industrial battery boxes Curaçao

Industrial Lithium Ion Batteries & Systems

A complete battery pack means no assembly of battery modules, no additional battery management system or extra wiring - just one Lithium ion battery box that customers can integrate with its vehicles/machines and charger. It can also serve as a stand-alone battery unit. The battery pack works for 24V/48Ah systems and provides 1,2kWh.

THE NOCO COMPANY 4D Battery Box

Add industrial strength protection to your batteries and your boat with a NOCO battery box. When extra protection is required for your batteries, look to NOCO commercial grade battery boxes to do the job. The double wall construction of these rotationally molded UV resistant plastic boxes offers superior strength and durability. Large bolt down
