Ireland 180 watts solar panel price

Overview

Solar panels typically cost from €3,500 to €12,000 in Ireland. Find out and learn what determines solar panel prices and how much you can save with a grant.

Solar panels typically cost from €3,500 to €12,000 in Ireland. Find out and learn what determines solar panel prices and how much you can save with a grant.

Solar panel installation for a 3-bed, semi-detached house in Ireland costs on average €6,145. This cost includes an SEAI grant designed to help homeowners with the costs of solar panel installation.

For a typical household, solar panels cost roughly €7,000 to €10,000. This takes into account the government grant of up to €2,100.
