2 ??? Through the project, SunTerra is to sell up to 130GWh of energy or about 4 per cent of Jamaica's total energy requirements annually to JPS under a 20-year power purchase agreement.

## EU and Jamaica celebrate a solid and reliable partnership on Europe ...

Head, EU Delegation to Jamaica, Ambassador Malgorzata Wasilewska, and Jamaica's Minister of Foreign Affairs and Foreign Trade Kamina Johnson Smith toasted the 44 year-old EU-Jamaica partnership in the presence of a large audience that gathered at the EU Residence to observe Europe Day on May 9.

## A Cleaner Energy Future for Jamaica: Time to Break Free from the ...

The call for a government-owned electricity grid in Jamaica is a logical extension of the push for renewable energy. Public ownership would allow the government to make long-term investments in the energy sector that align with national interests rather than the profit-driven motives of a private monopoly like the Jamaica Public Service (JPS).
