for home and commercial solar systems. Find out how much you can save when you switch to solar by filling out our free quote form below. To help us learn more about your potential solar savings use our free solar calculator!

Incentives , Kamtech Solar , Residential Solar

The installation of a 7kW solar system could earn a \$1,400 deposit from the state! This incentive was once \$1.00 per watt before savvy homeowners took advantage and it will continue to decrease as more people install solar systems. Kamtech and SunPower collect this grant from NYSERDA directly, reducing your cost to install solar. Start Saving
