Kenya solar solutions international

Overview

What is Kenya Solar Energy Limited (KENSEN) ?

Kenya Solar Energy Limited (KENSEN) is a registered private company since 2012 with the main motive of providing sustainable renewable solar energy. It is located in Nairobi on Bungoma road off Baricho Road. The company's telephone numbers are: 0722667912 or 0722982826.

Does Kenya have a solar industry?

Yes, Kenya has an active solar industry. Over the years, there has been increased investment in the country's solar industry. The government of Kenya, through the Ministry of Energy (MoE), has initiated programs intended to electrify schools and health facilities in rural areas using solar systems. This includes provision of solar powered laptops to primary schools.

Which companies provide solar panels in Kenya?

Patabay is a trusted online shop that partners with several leading solar panel companies in Kenya to meet their customers' needs. Among these companies are The Germans, who are globally known for their best products of PV components.

How does Miale solar help organizations achieve sustainability goals?

Through customized strategies, we support organizations in achieving their sustainability goals, reducing their carbon footprint, and enhancing long-term profitability. Miale Solar pioneers innovation in solar energy by enabling seamless access to sustainable solutions across Kenya and Africa.
