Who is krannich solar?

The owner-managed and self-financed company offers a wide range of products for PV installers: solar modules, inverters, photovoltaic mounting systems, self-consumption systems, e-mobility, pv installation monitoring and accessories. Krannich Solar is represented by 29 companies in 27 countries worldwide and employs more than 1000 people.

Where is krannich solar located?

Krannich Solar is represented by 29 companies in 27 countries worldwide and employs more than 1000 people. The headquarters is situated in Weil der Stadt, near Stuttgart, Germany. We can go big - can you?

* Whether small or large, there's rarely an off-the-shelf solution for commercial PV systems.

Where is krannich Asia based?

At Krannich Asia, we take pride in our dynamic and dedicated sales and operations team based in Southeast Asia. Our two strategically positioned warehouses in Singapore and Vietnam enable us to fulfill orders swiftly across the entire Southeast Asia region. Whether it's solar panels for Jakarta or inverters for Bangkok, we've got you covered.

What makes krannich unique?

The trading company thus rose to become one of the leading names on the global photovoltaic market. Today Krannich focuses its operations on the distribution of all components that make up a PV system. Our primary features are our roster of longstanding partners, our smart technology, our state-of-the-art systems - and our dynamic people.
