Will lean Solutions Group expand to Manila?

Lean Solutions Group's expansion to Manila, Philippines, provides clients with 24/7 services. The company is projected to grow its workforce of 7,000 employees to more than 10,000 by the end of the year, which will largely be fueled by talent acquisition in the Philippines and Guatemala.

What services does lean Solutions Group offer?

Partnering with more than 500 U.S.-based companies, Lean Solutions Group's expanded service offerings include staffing, technology, marketing, sales, and business process outsourcing services, all in one place.

Why should you choose lean Solutions Group?

At Lean Solutions Group, we understand the importance of having comfortable offices for your teams to feel motivated and provide high-quality services and for you to have a space for onsite training sessions, work, and meetings with them.

What is the retention rate of lean Solutions Group?

Lean Solutions Group boasts a 97 percent retention rate, providing clients with dependable, long-term team support. While Lean Solutions Group began as a nearshore provider to the transportation and logistics industry, the company has increased its offerings for other sectors including retail, hospitality, and healthcare.

What is lean Solutions Group's Strategic Growth Plan?

"Our strategic growth plan is directly tied to providing our clients the services they need when they need them, which includes 24-hour support in customer service and critical business functions," said Robert Cadena, CEO and co-founder of Lean Solutions Group.
