Kärntner PV-Unternehmen schlittert in Millionenpleite

Zudem besteht eine 90-prozentige Beteiligung an der PES - Power Energy Solutions mit Sitz in Slowenien, deren Ziel die Entwicklung von PV-Projekten im Nachbarland ist.

Photovoltaic challenges in Lebanon

Best performances of Omron Inverter in Lebanon, where frequent electricity cuts make any photovoltaic installations more complex. Photovoltaic business in Lebanon is very challenging: the government is strongly committed to renewable energy and energy efficiency, but power grid is unstable and frequent electricity cuts makes any photovoltaic installation more complex. Main ...
